Blue365®
Vision Discount Program

Discount vision program

Blue Cross and Blue Shield of Montana (BCBSMT) is pleased to offer BCBSMT members a discount vision program through Davis Vision, Inc., a national provider of routine vision care programs. Save on eyeglasses, contact lenses and eye exams.

How do I locate a Davis Vision provider?

The Davis Vision network consists of major national and regional retail locations, such as Visionworks, as well as independent ophthalmologists and optometrists.

For a list of Davis Vision providers near you, go to davisvision.com, click Members and enter Client Code 2083 in the Open Enrollment section or call Davis Vision at 888-897-9350. For more information about Blue365, log in to Blue Access for Members℠ (BAM) at bcbsmt.com. Click the My Coverage tab at the top, and then click the Blue365 Discount Program link.

How to maximize your benefits

- Your health plan may offer some level of vision benefits. If your plan offers vision benefits, you should continue to follow network guidelines for your routine eye exams.
- If your optometrist or ophthalmologist is a Davis Vision provider or if you use a Davis Vision provider for products and services, you can receive discounts on frames, lenses and contacts by presenting your BCBSMT ID card. *Discounts are only available at Davis Vision providers.*

Laser vision correction

Davis Vision offers you and your eligible dependents the opportunity to receive discounts on laser vision correction services through the TLC/TruVision network. To schedule an appointment call TLC/TruVision directly at 877-882-2020 or contact Davis Vision at 877-393-8844 for more information.

Mail order contact lenses

1 These discounted fees apply at most provider locations. However, fees may vary. For example, at WalMart or Sam's Club, members will receive comparable values on spectacle lens and contact lens purchases with the applicable standard retail cost. Members buying frames at either provider will receive a flat 10 percent discount on the price, rather than the discounts shown. Confirm discounts with your selected provider.

2 Discount will be applied to the provider's usual and customary price for services.

3 Special lens designs, materials, powers and frames may require additional cost.

4 Pricing at some retail locations may vary.
