A claim must be submitted for all medically necessary contact lens requests to include a copy of the prior authorization form. Authorizations for medically necessary contact lenses are not a guarantee of payment. Final eligibility will be determined when the claim is processed. All claims are subject to a maximum allowable fee.

For reimbursement purposes, please ensure that the appropriate contact lens fitting code is submitted as per the current American Medical Association CPT definition. All materials prescribed should be described by the appropriate HCPCS Level II code as per the current American Medical Association Healthcare Procedural Coding System definition. All reimbursement rates are for combined professional services and/or materials.
