Dear Davis Vision Provider,

We wish you the best this Holiday Season and are excited to let you know that starting on December 10, 2014, Excel Advantage orders just got easier! You can now pay on-line by using your preferred MasterCard/Visa.

Excel Advantage orders may be placed at any time through Davis Vision's user-friendly internet website. Simply click on the Excel Advantage link on your provider web page, add your frames to the shopping cart, and pay through our secure website with your credit card.

Davis Vision's Exclusive Collection frames are available for private purchase for your patients at retail prices that are determined by you. This is a great option for patients without Davis Vision insurance.

One of the many benefits of participating with Davis Vision is that having an Exclusive Collection in your office automatically enables you to participate in the Excel Advantage Program. All Davis Vision frames are backed with a one-year breakage replacement warranty. Purchasing through the Excel Advantage Program increases your profit potential and protects your patient's purchase.

*You may continue to place your orders via phone at 1-800-888-4321, enter provider number, then 3, or by faxing the order form to 1-800-933-9375. Please note that Excel Advantage phone and fax orders will no longer be available after February 1, 2015. After this date, all transactions must be completed by MasterCard/Visa.

Regards,

Davis Vision
