

Important Information Regarding Flooding in Tennessee

FEP BlueVision is prepared to meet the needs of our membership by repairing and/or replacing eyewear that has been lost, broken, or destroyed as a result of the recent flooding in Tennessee. We will be making exceptions above and beyond our normal replacement policies to ensure the eyewear needs of our membership are being met.

FEP BlueVision Members should contact us through our toll-free number (1-888-550-2583) and speak directly with your FEP BlueVision Customer Service Representative to obtain assistance.
