Davis Vision is very pleased to announce that associate Bill Goslin will be honored with a prestigious Jefferson Award for Public Service this June at a national recognition ceremony in Washington, D.C.

Mr. Goslin, who works in Davis Vision's Network Services in Latham, N.Y., was selected by Highmark for his long and outstanding commitment to community service. One of 12 Highmark honorees, Mr. Goslin is the overall winner who will represent Highmark at the national ceremony.

A dedicated volunteer for over 30 years, Mr. Goslin's long record of community service includes his involvement with his local church, junior sports leagues, Emergency Medical Corps and fire department. His continual commitment to public service is evident in his bi-yearly trips to New Orleans to repair hurricane destruction and rebuild the community.

In recognition of his efforts, Mr. Goslin receives a certificate of excellence, a Jefferson Awards medallion and a \$500 contribution to the non-profit organization of his choice. Mr. Goslin and fellow Davis Vision award recipient Sarah Myers attended the awards breakfast recognizing all honorees at Highmark's Pittsburgh office on April 27th.
