Find a provider with our online tool

Easily locate in-network providers near you

Let's get started

1. Visit davisvision.com/member and log in to your member account.
2. Click "Find A Provider" from the menu within your member account.
3. Enter your ZIP code and radius (miles) or choose state, county, and city; you can also search by provider or business name.
4. Click "Search Now" to proceed.
5. Scroll to see results in a list or on a map; results can also be downloaded as a PDF file for offline viewing.

Once you've selected an in-network provider, call them to verify provider network participation, services, and acceptance of your vision plan.
