

Order Online to Win Tickets to the BIG GAME!

Ordering online is the most efficient and cost-effective way to place eyewear orders with Davis Vision Labs. Our online system will immediately detect entry errors and notify you of missing information. It also has a convenient order-tracking tool that will allow you to view up-to-date information on the progress of jobs and shipping dates. And it's so easy to use! Simply visit www.davisvision.com and follow the Providers link.

You can also accomplish several other useful tasks through the Web site:

- Obtain member authorizations for services and print Service Record Forms.
- Print the latest contact lens, progressive and anti-reflective coating lists.
- Check pricing and order Davis Vision Collection frames through Excel Advantage™.

As an added incentive for ordering via our Web site, Davis Vision will reward one lucky provider with our Big Game package. Each time you place an order online between Jan. 1 and Dec. 31, 2009, your provider office name will automatically be added to a pool of entries. The provider office that is chosen from a random drawing will receive a trip for four to the Football Game of the Year on February 7, 2010, at Land Shark Stadium in Miami, FL. Air travel and hotel accommodations are included, all courtesy of Davis Vision.

With all the advantages of ordering online, why order any other way?
