# VISION CARE SUMMARY BOOKLET

HIP Health Plan of New York is very pleased to provide you with information about your Vision Care Discount Program administered by Davis Vision, Inc., a leading national administrator of routine vision care programs.

## WHAT ARE MY SERVICES?

Through special arrangements, HIP makes discounts on examinations, eyewear and contact lenses available to subscribers and their eligible dependents. Please note: This is a discount program only. All existing vision benefits, if any, associated with your health plan still apply. See the following schedule of discounts and fixed charges.

## HOW DO I RECEIVE SERVICES FROM A DAVIS VISION NETWORK PROVIDER?

- Call the network provider of your choice and schedule an appointment.
- Identify yourself as a member of HIP using the Davis Vision Discount Program.
- Provide the office with your health plan's member ID card.

*It's that easy to receive services!*

## WHO ARE THE NETWORK PROVIDERS?

You may choose from Davis Vision contracted providers for discounted services. If you already have a vision examination as part of your health plan, use a network ophthalmologist in your health plan for your examination. Then, use a Davis Vision contracted network provider for your hardware purchases (eyeglasses, etc.) and maximize your savings (you should verify whether the Davis Vision provider accepts outside prescriptions).

All Davis Vision contracted network providers are licensed providers who are extensively reviewed and credentialed to ensure that stringent standards for quality service are maintained. Please call Davis Vision at **1-800-743-1170** to access the Interactive Voice Response (IVR) Unit, which will supply you with the names and addresses of the network providers nearest you, or you may access the Web site at **www.davisvision.com**. Please log on with control code **8888**.
