### Do I need a claim form?

Claim forms are only required if you visit an out-of-network provider. Claim forms are available on our member Web site.

### Can I split my benefits?

You may split your benefits by receiving your eye examination and eyeglasses or contact lenses on different dates or through different provider locations. To maximize your benefit value we recommend that all services be obtained from a network provider.

### Can I use an out-of-network provider?

Yes; however, you receive the greatest value by staying in-network. If you go out-of-network, pay the provider at the time of service, then submit a claim to Davis Vision for reimbursement, up to the following amounts: eye exam - \$30 | single vision lenses - \$25 | bifocal/progressive - \$35 | trifocal - \$45 | lenticular - \$60 | frame - \$30 | elective contacts - \$75 | medically necessary contacts - \$225.

### Are there any exclusions to the vision benefits?

Your vision plan does not cover medical treatment of eye disease or injury; vision therapy; special lens designs or coatings, other than those described herein; replacement of lost eyewear; non-prescription (plano) lenses; contact lenses and eyeglasses in the same benefit cycle; services not performed by licensed personnel; two pair of eyeglasses in lieu of bifocals.
