Please visit Davis Vision's website: www.davisvision.com, or call **1.800.999.5431** with questions.

Davis Vision is pleased to offer you an Occupational eyewear program that provides quality vision care services. All employees of Public Employees Federation Staff are eligible for this program.

How do I receive services from a provider in the network?

- Call the network provider of your choice and schedule an appointment.
- Identify yourself as an employee of Public Employees Federation Staff.
- Provide the office with the member ID number.

It's that easy! The provider's office will verify your eligibility for services, and claim forms or ID cards are not required!

Who are the network providers?

They are licensed providers in both private practice and retail locations who are extensively reviewed and credentialed to ensure that stringent standards for quality service are maintained. Please access Davis Vision's website at www.davisvision.com and utilize the "Find a Doctor" feature, or call **1.800.999.5431** to access the Interactive Voice Response (IVR) Unit, which will supply you with the names and addresses of the network providers nearest you.
