Our Collection offers a great selection of stylish, quality frames. The Davis Vision Collection is available at certain independent network provider locations. Log on to our member website at [davisvision.com/boeing](http://davisvision.com/boeing) and take a look!

### When will I receive my eyewear?

Your eyewear will be delivered to your network provider generally within five business days of order receipt. Special prescriptions, lens coatings, provider frames or out-of-stock frames may delay the standard turnaround time.

### Do I need a claim form?

Claim forms are only required if you visit a nonnetwork provider. Claim forms are available by logging on to our member website at [davisvision.com/boeing](http://davisvision.com/boeing) and selecting "Accessing Benefits and Forms."

### Can I split my benefits?

You may split your benefits by receiving your eye examination and eyeglasses or contact lenses on different dates or through different provider locations. To maximize your benefit value we recommend that all services be obtained from a network provider.

### Can I use a nonnetwork provider?

Yes; however, you receive the greatest value by using network providers. If you go to a nonnetwork provider, pay the provider at the time of service, then submit a claim to Davis Vision for reimbursement, up to the following amounts: eye exam - \$50 | single vision lenses - \$50 | bifocal - \$80 | trifocal - \$95 | lenticular - \$155 | frame - \$90 | contacts - \$120. Nonnetwork benefits follow the same frequency and quantity limits of your network coverage.

### Are there any exclusions to the vision benefits?

Your vision plan does not cover medical treatment of eye disease or injury; vision therapy; special lens designs or coatings, other than those described herein; replacement of lost eyewear; non-prescription (plano) eyewear; services not performed by licensed personnel.
