

Retiree Value Advantage Program

Post 65 retirees have access to an enhanced vision discount program. With the Retiree Value Advantage Program, through Davis Vision, Post 65 retirees prepay for anticipated services, and receive significant discounts off professional eyecare services and the regular retail price of eyewear. Through the use of Davis Vision's world class "Centers of Excellence" ophthalmic fabrication laboratories, Post 65 retirees will receive the benefits of economies of scale, quality control, and uniformity.

See the savings! Over \$200 in Savings!

	Average Retail Cost	Your Cost

Where are Davis Vision providers located?

The Post 65 Retiree Value Advantage Program is available at participating provider offices throughout the country and Davis Vision's extensive network is second-to-none in our service area. To locate the providers in your area, go to www.davisvision.com or call 1.888.433.9370.

You and your covered dependents can purchase eyewear at any of the Davis Vision locations at a significantly reduced, pre-determined price. See below for savings details.

What does the plan cover?

The plan provides discounts on:

- Eye Examinations.
- Frames^{1/}: over 220 plan frames to choose from within the Collection, or receive a generous credit towards non-Collection frames.
- Spectacle Lenses: includes any eyeglass prescriptions; glass or plastic; single vision, bifocal, or trifocal lenses; standard; clear lenses.
- Contact Lenses^{1/}: Select from the most popular contact lenses on the market today with the Davis Vision Contact Collection or receive a generous credit towards non-Collection contact lenses.

^{1/} The Davis Vision Collection is available at most participating independent provider locations

One Year Warranty

All eyeglasses supplied through the Davis Vision laboratory are covered by a one-year breakage warranty at no additional cost to members.

Plan Advantages

- A network of qualified providers individually selected and strategically located.
- Award-winning laboratory in which the fabrication process is managed for quality, cost efficiency and timely turnaround.
- An extensive frame selection filling the needs of quality and style - conscious individuals.
- Controlled purchasing of frames and lenses, with negotiated professional fees resulting in maximum value for you and your dependents.
- You can pay for purchases with your credit card, money order or personal check.
- Customer Service Representatives are available to answer any questions you may have.
