How can I contact Member Services?

Call 1.800.208.6404 for automated help 24/7. Live help is also available seven days a week: Monday-Friday, 8 a.m.-11 p.m. | Saturday, 9 a.m.-4 p.m. | Sunday, 12 p.m.-4 p.m. (Eastern Time). (TTY services: 1.800.523.2847.)

What frames are in Davis Vision's Collection?

Our Collection offers a great selection of fashionable and designer frames. The "Fashion" level frames are covered in full, as well as all frames available at any of our Visionworks locations. No wonder seven out of ten members select a Collection frame. Log on to our member website at davisvision.com/StateofTN and take a look!

When will I receive my eyewear?

Your eyewear will be delivered to your network provider generally within five business days of order receipt. Special prescriptions, lens coatings, provider frames or out-of-stock frames may delay the standard turnaround time.

Do I need a claim form?

Claim forms are only required if you visit an out-of-network provider. Claim forms are available on our member website davisvision.com/StateofTN.

Can I split my benefits?

You may split your benefits by receiving your eye examination and eyeglasses or contact lenses on different dates or through different provider locations. To maximize your benefit value we recommend that all services be obtained from a network provider.

Can I use an out-of-network provider?

Yes; however, you receive the greatest value by staying in-network. If you go out-of-network, pay the provider at the time of service, then submit a claim to Davis Vision for reimbursement, up to the following amounts: eye exam - \$35 | frame and lenses - \$55 | contacts lenses - \$30 | visually required contacts - \$80.

Are there any exclusions to the vision benefits?

Your vision plan does not cover medical treatment of eye disease or injury; vision therapy; special lens designs or coatings, other than those described herein; replacement of lost eyewear; non-prescription (plano) lenses; contact lenses and eyeglasses in the same benefit cycle; services not performed by licensed personnel; two pair of eyeglasses in lieu of bifocals.
