## Frequently Asked Questions

**How can I contact Member Services?** Call 1.800.999.5431 for automated help 24/7. Live help is also available seven days a week: Monday-Friday, 8 a.m.-11 p.m. | Saturday, 9 a.m.-4 p.m. | Sunday, 12 p.m.-4 p.m. (Eastern Time). (TTY services: 1.800.523.2847.)

**What frames are in Davis Vision's Collection?** Our Collection offers a great selection of fashionable and designer frames, most of which are covered in full. No wonder 8 out of 10 members select a Collection frame. Log on to our member Web site at [davisvision.com](http://davisvision.com) and take a look!

**When will I receive my eyewear?** Your eyewear will be delivered to your network provider generally within five business days of order receipt. Special prescriptions, lens coatings, provider frames or out-of-stock frames may delay the standard turnaround time.

**Do I need a claim form?** No. You may continue to receive eye care services from the provider of your choice. If you choose a provider outside the Davis Vision network, like always, you will be required to pay for these services at the time of delivery and then submit a claim for reimbursement per your existing coverage plan. If you select a provider who participates in the Davis Vision network, your only out of pocket expense will be for any added frame or lens options you select. The Davis Vision provider will not charge you for covered expenses and you will not seek reimbursement from Local 103.

**Can I split my benefits?** You may split your benefits by receiving your eye examination and eyeglasses or contact lenses on different dates or through different provider locations. To maximize your benefit value we recommend that all services be obtained from a network provider.

**Can I use an out-of-network provider?** Yes; however, you receive the greatest value by staying in-network. If you go out-of-network, pay the provider at the time of service, refer to your group for reimbursement, up to the following amounts: eye exam - \$60 | materials - \$150.

**Are there any exclusions to the vision benefits?** Your vision plan does not cover medical treatment of eye disease or injury; vision therapy; special lens designs or coatings, other than those described herein; replacement of lost eyewear; non-prescription (plano) lenses; contact lenses and eyeglasses in the same benefit cycle; services not performed by licensed personnel; two pair of eyeglasses in lieu of bifocals.
